

Four Year Plan and Course Requests

What is a 4 year plan? It is a general idea of what the student will want to take in high school. It gives students a guideline for what is required for certain programs of study. **It is required by the state of Idaho for graduation.**

What a 4 year plan is NOT: It is not a schedule. It is not set in stone. Students may not want to follow the pathway exactly as it appears. For example, students may want to take some honors classes instead of the regular classes listed on the 4 year plan. Students may change their minds and choose a completely different pathway.

What is a Course Request? It is list of classes you would like for next year. The high school counselors will work on 9th grade schedules based on the course requests.

Directions for students:

Using the Pathways and Electives sheets, fill in the gray spaces with classes you think you would like to take in high school. Be sure to look at the pathways rather than just randomly choosing classes. After you finish the Four Year Plan, fill out the Requested Courses sheet. Sign it and get signatures.

Directions for parents:

Look over the Four Year Plan and Course Request sheet with your child. Discuss options, choices, and goals. Sign both papers and have your child return them to Ms. Steiniker by May 11th.

Please sign and return to Ms. Steiniker by May 11th

Plan de Cuatro Años y Solicitud de Curso

¿Qué es un plan de 4 años? Es en general, una idea de los clases que va a querer tomar un estudiante en la escuela secundaria. Para el estudiante, es una guía de los requisitos para ciertos programas de estudio. **Es un requisito del estado de Idaho para graduación.**

Lo que no es un plan de 4 años: No es un horario de clases. No es permanente. Los estudiantes a veces no quieren seguir el camino académico exactamente a como aparece. Por ejemplo, los estudiantes pueden querer tomar clases de honores en lugar de los clases regulares que aparecen en el plan de 4 años. Los estudiantes pueden elegir un camino académico totalmente diferente.

¿Qué es una solicitud de curso? Es una lista de clases que le gustara tomar el próximo año. La consejera de la escuela secundaria trabajara con los estudiantes de grado 9 para diseñar un horario de clases basado en la solicitud de cursos.

Instrucciones Para Los Estudiantes:

Usando las páginas de cursos electivos, llene los espacios color gris con los clases que piensas que te gustaría tomar en la escuela secundaria. Revisa la lista de camino académico en lugar de elegir clases al azar. Después de terminar con el Plan de Cuatro Años, complete la página de Solicitud de Curso. Fírmala y obtiene firmas.

Instrucciones Para Los Padres:

Revise el Plan de Cuatro Años y la página de Solicitud de Curso con su hijo/a. Platiquen sobre las opciones, elecciones, y metas. Firme las dos formas y que su hijo/a la regrese a la escuela a la Sra. Steiniker para el 11 de mayo.

Por favor de firmar y regresar a la Sra. Steiniker para el 11 de mayo

Yo apruebo el Plan de 4 Años para—
