

Destruction of Special Education Records:

This is an information update to allow all students that attended school in Payette and received special education services through the Payette school district up to the school Year 2010-2011 that all records will be destroyed in a matter of 45 days upon the release of this information. We are required by law to maintain these records for five years, after August 30th 2017 these records will be destroyed. These records could be of a value to your Future references such as: determine supplemental social security income eligibility or if you will be furthering your education. You, as an adult student, guardian or parent may inquire about these records at the special education department which is located in Payette at 20 North 12th St... You may contact Brittany Waggoner the special education director or Mandy Coen the special education secretary at 208-642-4138.
