

PPS AFTERSCHOOL FIELD TRIP
TO THE DISCOVERY CENTER

The Payette Primary Afterschool Program will be going to the Discovery Center, 131 Myrtle St., (208) 287-4224 and Camels Back Park, 1200 Heron St., in Boise, on Friday, April 20th. There is no school that day due to teacher in service. The buses will begin loading at the Primary School at 8:45 a.m. and will depart promptly at 9:00 a.m. The Discovery Center visit will be from 10:30-12:30 p.m. Then we will head to Camels Back Park to eat lunch, hike and play on the playground. We will leave the park at 2:45 p.m. and plan to return to the Primary School by 4:00 p.m.

Since there is no school that day, parents must provide transportation to and from the school. Please be at the school by **4:00 p.m.** to pick up your child. **There is no cost to students for this trip; however, students must bring their own sack lunch including a drink.** Students should wear appropriate shoes for walking, no flip flops or sandals, and should bring a jacket. Please sign the permission slip below and return by Monday, April 16th. Your child will not be allowed to attend without a signed permission slip. The Discovery Center requires 1 adult per 5 students, so we would love to invite you to come along to chaperone. If you are interested in joining us on this fun, and educational adventure, just sign up below and include your phone number or e-mail address.

My child, _____, has my permission to attend the PPS afterschool field trip to the Discovery Center, and the park on Friday, April 20th. I understand that my child needs to bring a lunch, and I will provide transportation to and from the Primary School.
